Officers

## **2019 New Board Members**

### John Bullock, City of Baltimore

John Bullock is currently serving as a councilmember with the City of Baltimore. He is Chair of the Housing and Urban Affairs Committee and is a member of the Education & Youth and Judiciary & Legislative Investigations committees. Councilmember Bullock is also an Assistant Professor at Towson University where he teaches Urban Government & Politics, Metropolitan Studies, and Community Development/Organizing. He has previous transportation planning experience with the District of Columbia.

### Phil Croskey, MD Energy Advisors

Phil Croskey is the CEO and Co-Founder of MD Energy Advisors & PointClickSwitch.com and has over 15 years of executive and managerial experience in the areas of energy marketing, business development, finance, and economic development. Phil is responsible for strategic direction and revenue growth of MD Energy Advisors by developing and implementing high-level strategies, making company decisions, and acting as the chief communicator. Phil also oversees the technology arm of the company energy shopping website PointClickSwitch.com.

Deeply committed to service, Phil serves on numerous area boards including Urban Teachers, Belair-Edison Neighborhoods (BENI), American Association of Blacks in Energy (AABE) and St. Ambrose Housing Aid.

### Mary Haberl, Virginia Green Initiative

Mary Haberl is a board member and events chair at the Virginia Green Initiative. She is owner of Solar Four, a solar energy company dedicated to providing the best products and service. Solar Four design and build projects that will bring power independence to customers and make the power grid safer, cleaner, and more reliable. She has worked in the energy efficiency and renewables field for 10 years and has sponsored educational forums in all areas of the renewables market.

Mary is active in her community including memberships on the following Boards: International Society of Sustainability Professionals, Solar Energy Executives Network, Leesburg Environmental Commission, among others.
